# BANQUET DINNER

in Historic Downtown Savannah

You are invited to a dinner party - Savannah style. Our parks and squares are often referred to as Savannah's outdoor living rooms... so welcome to our home!

Built in 1837 and named to honor President James Madison, you'll dine on favorite local dishes while enjoying cocktails and live local music under moss-draped oaks in Madison Square. Surrounding the square, you will find St. John's Episcopal Church, the Green-Meldrim House and the Scottish Rite Temple, among others.
