2:30 Back at the hotel

This signature course is designed by Jack Nicklaus, weaving throughout the May River Forest and featuring several holes right on the banks of the river. At 7,171 yards, this amazing course is a spectacular blend of championship-level design and natural beauty that will challenge golfers of all skill levels. All tee boxes and fairways feature Paspalum, the newest eco-friendly turf.

Wide, inviting fairways are strategically bunkered and feature natural waste areas. Your nerves will be tested on the approach by Champions Bermuda greens which are well guarded by white-sand bunkers and feature gentle undulating slopes to challenge your putting skills. Finally, the back nine features three par 3's, three par 4's, and three par 5's.
